

Matching Gifts Corporations

You can double your fundraising in as little as five minutes by utilizing matching gifts. Many companies in our area and around the country offer matching gift programs as part of their employee benefit packages. They will match an employee's individual gift to a non-profit organization dollar for dollar. In some instances, companies generously match 2 to 1, even 3 to one. Listed below are companies with matching gifts programs. If your company matches, and isn't listed, please call us!
